

## Consent to Use of Tax Return Information

\_\_\_\_\_ ("we," "us," and "our")  
Printed name of tax preparer

Federal law requires this consent form be provided to you. Unless authorized by law, we cannot use your tax return information for purposes other than the preparation and filing of your tax return without your consent.

You are not required to complete this form to engage our tax return preparation services. If we obtain your signature on this form by conditioning our tax return preparation services on your consent, your consent will not be valid. Your consent is valid for the amount of time that you specify. If you do not specify the duration of your consent, your consent is valid for one year from the date of signature.

If you do not consent, then you may still have your tax return prepared and electronically filed by us for a fee.

For your convenience, we have entered into an arrangement with a third party to provide qualifying taxpayers with the opportunity to apply for audit protection. To determine whether this opportunity may be available to you, we will need to use your tax return information.

If you would like us to use your tax return information to determine whether this opportunity may be available to you while we are preparing your return, please sign and date this consent to the use of your tax return information.

By signing below, you (including each of you if there is more than one taxpayer) authorize us to use the information you provide to us during the preparation of your 2016 tax return to determine whether to present you with the opportunity to apply for these products and services.
