

2010 Drake Basic S Corporation Tax Course

The 2010 Drake Software Basic S Corporation Tax Course describes and explains the various parts of a corporate 1120S return, and includes how an S Corporation election is made, and the characteristics of an S corporation. There is an in-depth look at how the Schedule M-2 (a) Accumulated adjustments account, (b) Other Adjustments account and (c) Shareholders' undistributed taxable income previously taxed amounts are entered.

The student will also be able to:

- Describe how an S corporation election is terminated
- List separately stated items
- Complete an S corporation return in Drake Software

No prerequisites are necessary to participate in this course and no advance preparation is needed.
