

2011 Basic Partnership Tax Course

Course Description: The 2011 Drake Software Basic Partnership Tax Course describes and explains the various parts of a 1065 partnership return and shows the student how to create and balance a partnership return in Drake Software. The student will also learn to:

- Define a partnership
- List two types of partnership
- Explain passive activity
- List two schedules that deal with distributive share items
- Explain purpose of the K-1
- Enter a partnership return in Drake Software

Course Fee:

For Drake Customers: There is no charge to participate in this program and there is no refund policy.

Non-Drake Customers: The cost of the course is \$40 with no refund for those who complete the course.

How to Register: Log in to www.DrakeETC.com and select **Tax Courses** from the menu on the left side of the web page. Select the course title from the **Course** drop list. Follow the prompts to begin the course and complete payment if required.
