FREQUENTLY USED CODES

FIELD	CODE	APPLICATION
TS or TSJ	T	Assigns data to the primary taxpayer. The program enters "T" by default if the field is left blank.
	S	Assigns data to the spouse.
	J	Assigns data to both the taxpayer and spouse.
F	0 (zero)	To exclude data from the federal return, enter 0 (zero).
ST	State Code	For a state return, enter the appropriate two-letter state code (postal service abbreviation). If the field is blank, the program uses the resident state by default.
	0 (zero)	To exclude data from any state return, enter 0 (zero).
	PY	For multi-state returns, use PY as the resident state code on screen 1 . Do <i>not</i> use PY on any other screen.
C	City Code	For city returns, enter the appropriate city code to indicate the source of income.
Multiple	1-999	For Form 4562 (depreciation), indicate the appropriate schedule for the depreciated item in the For field. Indicate where the information should be carried when there are multiple schedules.

SEARCH EF DATABASE

KEY	FUNCTION	INSTRUCTIONS
F1	General information	View basic EF information about the taxpayer: taxpayer information, federal and state acknowledgement codes, acknowledgement dates, transaction date, filing status, refund amount, or balance due.
F2	Bank information	Access detailed loan information, direct deposit information, Declaration Control Number, etc.
F3	Fees/miscellaneous information	Access miscellaneous information, including Earned Income Credit and AGI, MISC field data, firm and preparer numbers, and tentative fee distribution details.
F4	Reject code lookup	Access the reject code lookup feature, which allows you to search for federal and state reject code descriptions, loan status codes, and bank decline reasons.
F5	Return to data entry	Opens return data entry for the client.
F10	Online database	View your online database from data entry or from your EF database.

SOFTWARE SUPPORT WITHIN DRAKE TAX

Easily find the information you need by accessing support resources directly within Drake Tax.

Frequently Asked Questions (FAQs)

An **FAQ** screen is included with each tax software package in Drake Tax, accessible from any tab on the **Data Entry Menu** or by typing **FAQ** into the selector field and pressing ENTER. **FAQ** content varies by state and package.

Help Resources

Help resources are conveniently organized in one location. From the **Home** window, click the **Support** button to access these options:

- **What's New**, a summary of current-year changes to Drake Software's programs and IRS tax laws
- **Knowledge Base**, an online reference containing answers to common tax and software questions
- **Program Help**, a searchable, indexed encyclopedia containing answers to common software questions
- **Support Website**, a website with links to all of our online help resources, including the Knowledge Base, and many other helpful webpages
- **Video Tutorials**, a compendium of how-to videos on using Drake Tax and related programs
- **Chat Support**, a way to connect with a Drake Software Support Representative and have your questions answered via chat
- **Manual and Online Resources**, a link to Drake Tax manuals and Drake Software shipment letters, all in PDF format, readable online or available for download
- **Custom Web Search**, a customizable Web search tool that you can use to search for keywords on multiple sites at once

Data Entry Help

Drake Tax includes screen- and field-level helps to explain how to use the current screen, where to enter specific tax data, and how to find more information through links and IRS references.

Screen Help

Screen helps provide information about open screens in data entry. Access screen help by pressing CTRL + ALT + ?, selecting **Help** from the data-entry screen toolbar, or choosing **Screen Help** from the right-click menu.

Field Help

Field helps provide information about selected fields. Access a field help by clicking inside a field and pressing F1 or SHIFT + ?, or by right-clicking a field and selecting **Help > Help for this Field**.
