# Charities and Non-Profits (990)

The basics of data entry for tax-exempt organization (990) return are the same as for a 1040 return. Navigation through data entry, field- and screen-level help, and keyboard shortcuts all function as they do in the 1040 program. See the *2016 Drake Tax User's Manual* for the basics of using the program. (The manual is available on the installation CD and on the Drake Support website: *Support.DrakeSoftware.com* > **Training Tools** > **Manuals**.)

## What's New in Drake Tax for Charities and Non-Profits

Drake Tax programs its software according to the latest IRS rules and regulations. The 2016 program reflects all IRS changes to forms, credits, and deductions. For specific details on the IRS's changes, see the IRS instructions for individual forms for tax-exempt organizations.

The following section explains the main changes to the 990 package for the 2016 filing season.

## Screen INFO and Screen O

In the past, screen **O** was used to provide narrative information for Schedule O and all other schedules—Schedules A, C, E, E, F, G, etc.,—depending on the selection made from the **Schedule** drop list on screen **O**.

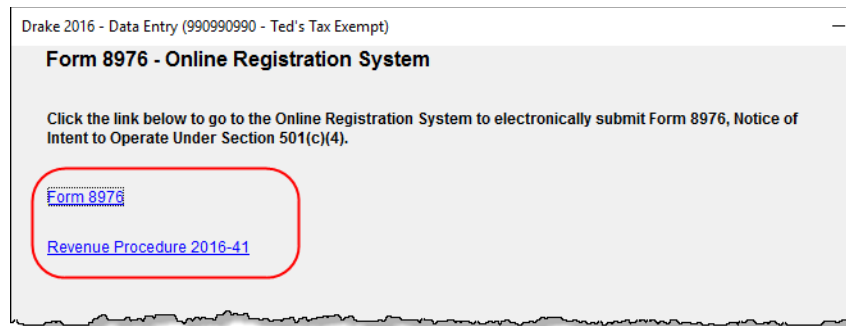

Now, the **O** screen is used to provide narrative information for Schedule O only; the other schedules now have their own **Supplement Information** screens, available through on-screen links or from the new **INFO** screen.

The **INFO** screen, accessible from the **Schedule H-R** tab of the 990 **Data Entry Menu**, has links to **Supplement Information** for each individual schedule, allowing you to more quickly find the attachment you need.

For more, see “Completing Schedules in Drake Tax” on page 10.

## Form 8976, Notice of Intent to Operate Under Section 501(c)(4)

Also new to the 990 package is screen **8976**, Online Registration System (Figure 1).

**Figure 1:** Links on screen **8976** to IRS Online Registration site and IRS Rev. Proc. 2016-41

Use the links on this screen to connect to the IRS website and file Form 8976, Notice of Intent to Operate Under Section 501(c)(4) tax-exempt organizations. Most organizations must submit this notice within 60 days of their establishment. Failure to file this notice may result in penalties. This form can be filed only through the IRS website.

There is also a link on screen **8976** to connect you to the IRS Revenue Procedure that explains the form.

The **8976** screen is accessible from the **Other Forms** tab of the **990 Data Entry Menu**.

## COMP Screen Added

Another addition to the 990 package this year is the new **COMP** screen, used to adjust the number of highly paid individuals—such as officers, contractors, directors, trustees, key employees—on 990, 990EZ, and 990 PF returns.

For more information, see “COMP Screen” on page 24.

## Extensions Changed for 2016 Returns

Calendar-year 990 returns are due on May 15, 2017. If an organization uses a fiscal year, the return is due by the fifteenth day of the fifth month after the accounting period ends.

Unlike past years, when a three-month automatic extension could be followed by a request for an additional extension, for 2016 returns a six-month automatic extension is granted when the organization files Form 8868.

For details on e-filing a Form 8868 application in Drake Tax, see “Filing an Extension” on page 30.

## Foreign Tab

In the **Foreign Accounts and Assets** section of the new **Foreign** tab are screens **FRGN** and **114**, used to complete and file FinCEN Report 114, Report of Foreign Bank and Financial Accounts, or Form 8938, Statement of Specified Foreign Financial Assets.

Screen **8938** is also used in completing Form 8938.

Use the screens in the **Information Return Foreign Corporations** section to complete Form 5471, Information Return of U.S. Persons with Respect to Certain Foreign Corporations.

For more on completing and filing FinCEN Form 114, Form 8938, and Form 5471 in Drake Tax, see Chapter 5 of the *2016 Drake Tax User's Manual*.

## Data Entry Screen Toolbar

An exciting enhancement to the program this year is the new toolbar that appears on data entry screens when you move your mouse pointer to the top of the screen. This toolbar can save you time by allowing you to perform several functions without having to select from a right-click menu.

For more information on using this new toolbar, see “New Toolbar in Data Entry” in Chapter 3 of *2016 Drake Tax User's Manual*.

## Practice Management Tools

For details on other additions and enhancements to Drake Tax's practice management tools—such as new security passwords, the e-mail program, the letters and billing editor, Drake Documents (formerly the DDM), and the Scheduler—see the *2016 Drake Tax User's Manual*.

## Getting Started in the 990 Package

Some early tasks you may need to perform before working on a 990 return include creating a return (for new clients) or updating a return (for existing clients).

### NOTE

Use blank forms to help clients collect tax-related data you will need. To access blank forms, from the **Home** window, go to **Tools > Blank Forms** and select the **Tax Exempt** tab. Select a form from the list and click **Print**.

## Creating a Return

To create a new return in Drake Tax:

1. From the **Home** window, click **Open/Create** (or select **File > Open/Create Returns**, or press CTRL+O).
2. In the **Open/Create a New Return** dialog box, enter the organization's nine-digit identification number.

3. Click **OK**. Click **Yes** when asked if you want to create a new return.
4. In the **New Return** dialog box, select **Tax Exempt - 990** and enter the organization's name.
5. Click **OK**.

Screen **1** of the return is displayed. You can now begin entering header information for the organization.

## NOTE

Header information for all forms is completed on screen **1**. For information on specific fields in screen **1**, see "Header Information (Forms 990, 990-EZ, 990-PF, 990-T, 990-N)" on page 19.

## Updating a Prior-Year Return

If you prepared the organization's tax return last year, you must update it for use in 2016.

Prior-year returns can be updated in three ways:

- A single return (updated one at a time) using **Last Year Data > Update Clients 2015 to 2016** (recommended)
- When you open an existing return from a prior year for the first time in the 2016 program and are prompted to update it
- With all other returns in the program using **Last Year Data > Update Clients 2015 to 2016** (not recommended)

Drake Tax recommends using the first option (updating returns individually) to ensure that you update only those items in a return that you want updated.

## NOTE

If you open a prior-year 990 return that was marked as "Final Return" the previous year, the program informs you that the return was marked as final before it prompts you to proceed.

## Completing Schedules in Drake Tax

Many of the schedules used in Forms 990, 990EZ, and 990PF require a narrative summary explaining certain entries, selections, and elections made on specific lines in the return. The schedules requiring such summaries now have their own **Supplement Information** screens for reporting these narrative summaries.

The **Supplement Information** screens can be accessed in several ways. For instance, screen **O**, used to provide narrative information for Schedule O, is still available as always, from either the **Form 990/990EZ** tab or **Schedules H - R** tab of the **Data Entry Menu**, or by typing **O** in the selector field of the **Data Entry Menu** and pressing ENTER.

The other schedules that require such supplemental information now have screen links to the necessary supplemental screens. For instance, when completing Schedule D, there is a link on screen **D** (Figure 2 on page 11) to open the needed **Schedule D - Supplemental Information** screen.

Figure 2: Link to Schedule D - Supplemental Information screen from screen D

**NOTE** The **SCH2** screen in a 990-PF return is the same as the **O** screen in the 990 and 990-EZ returns.

**INFO Screen** *New For 2016:* Another way to access the **Supplemental Information** screens for the schedules is the **INFO** screen (Figure 3). Accessible from the **Schedule H-R** tab of the 990 **Data Entry Menu**, the **INFO** screen has links to **Supplement Information** drop lists of all of other individual schedules, allowing you to quickly find the attachment you need

Screen Code:  
INFO

Figure 3: INFO screen links to Supplemental Information screens for the schedules

**Using Info Screens** All of these **Supplemental Information** screens function in the same manner. To use one—in this example, the **Supplemental Information** screen for Schedule D—take these steps:

1. Either open screen **D** and click the **Schedule D Supplemental Info** link, or from the **INFO** screen, click **Schedule D**.
2. From the **Reference** drop list, select the line numbers to be addressed. In the example on Figure 4 on page 12, the user has selected **Escrow Account Liability** in order to address Part IV, line 2b of Schedule D.
3. Under **Explanation**, type the narrative information. Note that there is a 9,000-character limit for e-file.
4. If necessary, press PAGE DOWN to open a blank screen and add supplemental information for another line of Schedule D.

5. If necessary, select item **D99 - General Explanation Attachment**, for non-line-specific general explanations.

Data entered on the **Supplemental Information** screen is printed in the supplemental information section of the specified schedule. For example, the narrative from Figure 4 would be printed in the “Part XIII Supplemental Information” section on page 4 of Schedule D of the 990.

## Form 990-N

Form 990-N, Electronic Notice (e-Postcard) for Tax-Exempt Organizations Not Required to File Form 990 or 990-EZ, is required for certain small tax-exempt organizations.

To file the e-Postcard using Drake Tax, go to screen **1** for the organization and take the following steps:

1. Under the **General Information** heading, select **N - Form 990-N** from the **Form** drop list (item #1 in Figure 5 on page 13).

**Figure 5:** Begin by selecting **N - Form 990-N** from the **Form** drop list on screen 1.

2. At the bottom of the **General Information** section, mark the **990-N Only** check box to indicate that the organization’s gross receipts are normally not more than \$50,000 (item #2 in Figure 5).
3. Go to the **OFF** screen and complete the **Officer Name** and **Title** fields, enter an address (or select the **Use entity address** check box), and for at least one officer, select **Principal officer**.

Once any EF Messages have been eliminated, the 990-N information can be e-filed. A “Form 990-N Information” page (“Form 990-N” in View mode) is generated with the return for informational and bookkeeping purposes.

**NOTE** For information on signing a return prior to e-file, see “Part II, Signature Block” on page 30.

## Form 990-EZ

Certain organizations can file Form 990-EZ, Short Form Return of Organization Exempt From Income Tax, instead of Form 990. If an organization’s gross receipts (total amounts received from all sources during its annual accounting period) are less than \$200,000 and total assets at year-end are less than \$500,000, it can file Form 990-EZ instead.

## Form 990-EZ Screens

The following screens are specifically provided for completing Form 990-EZ. They are grouped under the **990-EZ only** heading of the **Form 990/990EZ** tab.

**Table 1:** 990-EZ Screens Under **Form 990/990EZ** Tab

**Form 990-PF**

Form 990-PF must be filed by certain exempt private foundations; see the IRS Form 990-PF instructions for specific information on who must file this form.

**Form 990-PF Screens**

The 990-PF-specific screens are located under the **Form 990PF** tab (Figure 6).

**Figure 6: Form 990PF tab in Drake (partial menu)**

Several screens, such as screen 1, the **DEPR**, **OFF**, and **IND** screens, and certain schedule (**SCH** or **SC**) screens, can also be found elsewhere in the menu, as they apply for multiple forms and not just the 990-PF.

## Recommended Order for Completing Form 990-PF

The IRS recommends completing Form 990-PF in the following sequence (Table 2) to limit jumping from one part of the form to another.

**Table 2:** Form 990-PF, Recommended Order

More in-depth information on completing Form 990-PF is available from FAQ item **K** (“Recommended Order for Completing Form 990-PF”). Click the **FAQ** link on any tab of the **Data Entry Menu**.

See “COMP Screen” on page 24 for information on adjusting the calculated number of highly paid individuals and contractors in Part VIII of Form 990-PF.

### Part I Additional Schedules

Additional schedules may be needed to complete the following lines from Part I (#2 in Table 2):

- Line 6a (Net gain or loss from sale of assets not on line 10) — Use screen **SCH5**.
- Line 10c (Gross profit or loss) — Use screen **SCH7**.
- Line 11 (Other income) — Use screen **SC50** for subsidiary schedule.

- Line 19 (Depreciation) — Use screen **DEPR** for depreciation schedule. (The lines for **Net Investment income** and **Adjusted net income** on the **DEPR** screen are required for columns B and C of page 1 of Form 990-PF.)
- Line 23 (Other expenses) — Use screen **DEPR** for amortization schedule. (The lines for **Net Investment income** and **Adjusted net income** on the **DEPR** screen are required for columns B and C of page 1 of Form 990-PF).

## Part II Additional Schedules

Additional schedules may be needed to complete the following lines from Part II (#2 in Table 2 on page 15):

- Line 7 (Other notes/loans receivable) — Use screen **SC14** (This produces statement STM 135) and/or screen **SCH3** (This produces statement STM 113).
- Lines 10a – 10c (Investments) — Use screen **SC54**.
- Line 11 (Investments – land, buildings...) — Use screen **SC53** for subsidiary schedule (when required).

- Line 15 (Other assets) — Use screen **SC53** for subsidiary schedule.
- Line 20 (Loans from officers, directors...) — Use screen **SC55** (when required).
- Line 21 (Mortgages and other notes payable) — Use screen **SC55**.
- Line 22 (Other liabilities) — Use screen **SC53** for subsidiary schedule.

## Using Screen SCH2

Screen **SCH2**, General Explanation Attachment, allows you to attach explanations for certain parts of the Form 990-PF.

It is necessary to identify which part of the form is to be associated with the attached statement. To select a section of a form, choose an option from the **Schedule** drop list at the top of screen **SCH2**. Next, write an explanation in the **Explanation** field. Press PAGE DOWN as needed for additional attachments. Note that there is a 9,000-character limit for e-file.

## NOTES

The **SCH2** screen can be used for other 990 return types. Note that screens **O** (for Schedule O, Supplemental Information) and **SCH2** are the same. See “Schedule O, Supp. Info.” on page 29 for more information.

If **X - General explanation attachment** is selected from the **Schedule** drop list, the attachment will be e-filed with an e-fileable return (990, 990-EZ, or 990-PF).

## PMT Screen

Use the electronic payment screen (**PMT**) for payment on Form 990-PF, an amended 990-PF, or an extension of time to file (Form 8868) only. The **PMT** screen can be accessed from the lower right corner of the **Form 990PF** tab of the **Data Entry Menu**, or by typing **PMT** in the selector field and pressing ENTER.

By default, the program indicates that the entire balance is to be electronically withdrawn on the return due date unless otherwise indicated using the **Federal pmt amount** and **Requested pmt date** override fields on screen **PMT**. If the return is e-filed on or before the due date for this type of return, the requested payment date cannot be later than the due date for this type of return. If the return is transmitted after the due date, the requested payment date cannot be later than the current date.

A **Withdrawal Selection** is required if the program is to direct tax authorities to electronically withdraw funds from the foundation's account.

The name of the financial institution, the bank's routing number (RTN), the client's account number, and the type of account (checking or savings) are required. The RTN, account number, and type of account must be entered twice.

Finally, the **PMT** screen must indicate the return to which the payment data applies. Mark the box of the applicable return type (**990PF**, **8868**, or **Amended 990PF**).

## Form 990-T

Form 990-T, Exempt Organization Business Income Tax Return, is used for:

- Reporting unrelated business income and tax liability
- Reporting proxy tax liability
- Claiming a refund paid by either a regulated investment company (RIC) or a real estate investment trust (REIT) on undistributed long-term capital gain
- Requesting a credit for certain federal excise taxes that have been paid
- Claiming Form 8941 credit for small-employer health insurance premiums

Based on the items listed above, an organization may need to complete Form 990-T in addition to its 990, 990-EZ, 990-PF, or 990-N return. See Form 990-T instructions to determine if an organization is required to file Form 990-T.

Form 990-T cannot be e-filed.

## Form 990-T Screens

All 990-T-specific screens are located under the **Form 990T** tab (Figure 7).

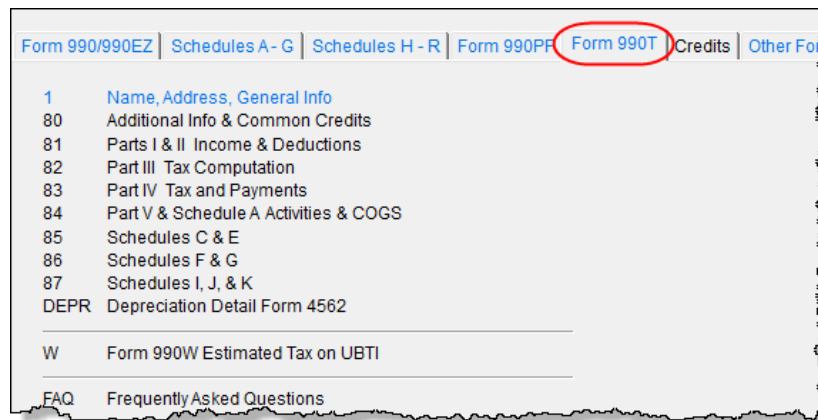

Figure 7: Form 990T tab

## NOTE

Screen **80** must include a selection for item **G** (organization type) in order for Form 990-T to be produced correctly with the appropriate tax calculated.

## Form 990

A tax-exempt organization under section 501(a) must file Form 990 if it has either:

- Gross receipts of \$200,00 or more
- Total assets of \$500,000 or more at the end of the tax year

For more information on who must file Form 990, see the Form 990 instructions published by the IRS.

## Recommended Order for Completing Form 990

The sequence shown in Table 3 is suggested as an efficient method for completing a return for a tax-exempt organization. In general, complete the core form first, and then complete—alphabetically—Schedules A through O and Schedule R, except as specified in Table 3. This order limits the need to jump back and forth from one part of the form to another, as certain later parts are required in order to complete earlier parts.

**TIP**

More details are available in FAQ item **E** (“Recommended Order for Completing Form 990”). Click the **FAQ** link on any tab of the **Data Entry Menu**.

## Header Information (Forms 990, 990-EZ, 990-PF, 990-T, 990-N)

Use screen **1** to fill out the header section for a tax-exempt organization. Complete all applicable fields.

### NOTE

Header information to be completed first are items **A** through **F** and **H(a)** through **M**. The **Gross receipts** field (header item “G” on the 990 form) is completed automatically.

### Foreign Address

If the organization has a foreign address, fill out the applicable fields in the **Foreign ONLY** section of screen **1**.

Foreign address fields are locked to keep incorrect address data from being entered. Click the field to unlock foreign address fields throughout the return. Close the return and re-open it to re-engage the lock for unused screens.

### NOTES

To use the foreign address fields, first type in the street address and city name, then enter in the first field the name of the foreign province or state, as appropriate. Select the appropriate foreign country from the drop list, and then enter the postal code, if appropriate.

### Type of Form

To indicate which form the organization is filing, select an option from the **Form** drop list in the **General Information** section of screen **1**. (See Figure 5 on page 13 and Figure 8 on page 20.) If the only return being prepared is a 990-T and its related forms, mark the **990-T only** box.

### Form Columns

Screen **1** has separate columns indicating the header boxes for Forms 990, 990-EZ, and 990-PF. For example, the “Exemption application pending” check box on screen **1** (item #1 in Figure 8 on page 20) puts an “X” in box “B” of Forms 990 and 990-EZ, or

an “X” in box “C” of Form 990-PF. Note that not all questions are required for all forms.

The screenshot shows the 'General Information' screen. At the top, 'Form' is set to '990'. Below this, there are several rows of header labels: '990 EZ PF', 'B B C', 'B B G', 'XII G J', 'Ha', 'Hb', and 'Hc F'. The 'B B C' row has a checked box for 'Exemption application pending'. The 'B B G' row has a 'Mark as applicable:' section with several unchecked checkboxes. The 'XII G J' row has an 'Accounting method:' section with 'Cash' checked. The 'Ha' row has 'Is this a group return for subordinates?' with 'Yes' checked. The 'Hb' row has 'Are all subordinates included?' with 'No' checked. A red circle labeled '1' is around the '990 EZ PF' header. Another red circle labeled '2' is around a link that says 'Click SCH4 for list'.

**Figure 8:** Screen 1 shows header labels for different forms (1); link to **SCH4** (2).

**Affiliate Listing (990 Only)**

If the 990 is a group return filed for affiliates, but not all affiliates are included, a list of affiliates must be attached to the return. Screen **SCH4** is available for this purpose and includes fields for affiliate name, address, and EIN. Click the **SCH4** link on screen 1 (item #2 in Figure 8).

**NOTE**

The default data for the **Name Control** field on screen **SCH4** is the four-letter code used by the IRS to match the information to the affiliate. This is an override field and must be completed if the name of the affiliate has changed since the entity’s last filed return.

**Tax Year**

The program uses the current calendar tax year (beginning January 1 and ending December 31) by default. If the organization uses a fiscal year, enter the beginning and end dates in the **If not calendar year** box on screen 1 (Figure 9).

The screenshot shows a box titled 'If not calendar year'. It contains two input fields: 'Fiscal year begins' and 'Fiscal year ends'. Both fields are currently empty.

**Figure 9:** If not calendar year box on screen 1

**Schedule R**

Once you have completed the header information on screen 1, the IRS recommends completing Schedule R, Related Organizations and Unrelated Partnership. Schedule R is used to submit data regarding the organization’s relationships with other organizations, both taxable and tax-exempt. The program has three screens (located on the **Schedule H-R** tab of the **Data Entry Menu**) for Schedule R, listed in Table 4 on page 21.

**Table 4:** Schedule R Screens

Screen	Sections of Schedule R Covered

R2	Schedule R, Parts IV (Related Organizations Taxable as a Corporation or Trust), V (Transactions With Related Organizations), and VI (Unrelated Organizations Taxable as a Partnership)
R3	Schedule R, Part V, Line 1

To enter more entities, press PAGE DOWN to access new, blank fields.

## NOTE

Schedule R is not required for all organizations. For information on which aspects of Schedule R must be completed by an organization, see the IRS instructions for Schedule R, or click **Screen Help** on screens **R**, **R2**, and **R3**.

## Part VII, Section A

*Screen code: OFF* Once you have completed Schedule R, the IRS recommends completing Part VII, Section A (“Compensation of Officers, Directors, Trustees, Key Employees, Highest Compensated Employees, and Independent Contractors”). Use the **OFF** screen, accessible from the **Form990/990EZ** tab of the **Data Entry Menu**, to report this information, noting that information entered there is used to generate Part II of Schedule J (“Compensation Information”).

## NOTE

See “COMP Screen” on page 24 for information on adjusting the calculated amount in Part VII, Section A of Forms 990 and 990-EZ.

## NOTES

### Balance Sheet

All organizations must complete Part X. A substitute balance sheet cannot be used.

Part X has two screens: screen **10A** (lines 1 through 15), and **10B** (lines 17 through 32). You can access screen **10B** from screen **10A** by pressing PAGE DOWN.

## NOTE

Some end-of-year amounts require separate schedules. Screens for these schedules can be accessed by clicking the applicable links on screens **10A, 10B, and 11**.

## Header Line G

The program calculates box “G” (gross receipts) of the form header automatically, based on the information entered on screen **8**, (including the linked **Line 2 and 11** screen).

## Parts III, V, VII, and XI

Once you have completed screen **8** (both screens) for box “G” of the header, the IRS recommends completing Parts III, V, VII, and XI of Form 990 (screens **3**, **4**, **6**, **IND**, and **11**).

### Purpose & Achievement

Part III, Statement of Program Service Accomplishments, requires that the organization report its new, ongoing, and discontinued exempt purpose achievements, along with any related revenue and expenses.

In Drake Tax, Part III of Form 990 consists of two screens. Use screen **3** to answer items 1 through 3 (exempt purpose). Use screen **4** to complete the line 4 items (exempt purpose achievements). From screen **3**, you can access screen **4** by pressing PAGE DOWN.

### Exempt Purpose

Use the **Primary exempt purpose** field on screen **3** to describe the organization’s mission. The mission statement can address why the organization exists, what it hopes to accomplish, whom it intends to serve, and activities it will undertake and where. See IRS instructions for further information on what constitutes a mission.

## NOTE

If the organization does not have a mission that has been adopted by its governing body, type **None** as the **Primary exempt purpose**.

If you answer **Yes** to question 2 or 3 on screen **3**, use Schedule O (screen **O**) to describe any new services or changes to services. From screen **3**, you can click the **Sch O Screen** link to access this screen. See “Schedule O, Supp. Info.” on page 29 for more information about filling out Schedule O in the program.

### Exempt Achievement

Enter expenses, revenue, and a description of the exempt purpose achievements on screen **4**. Examples of exempt achievements include:

- Providing charity care under a hospital’s charity care policy
- Providing higher education to students under a college’s degree program (the number of students served must be indicated)
- Making grants or providing assistance to individuals who were victims of a natural disaster
- Providing rehabilitation services to residents of a long-term care facility

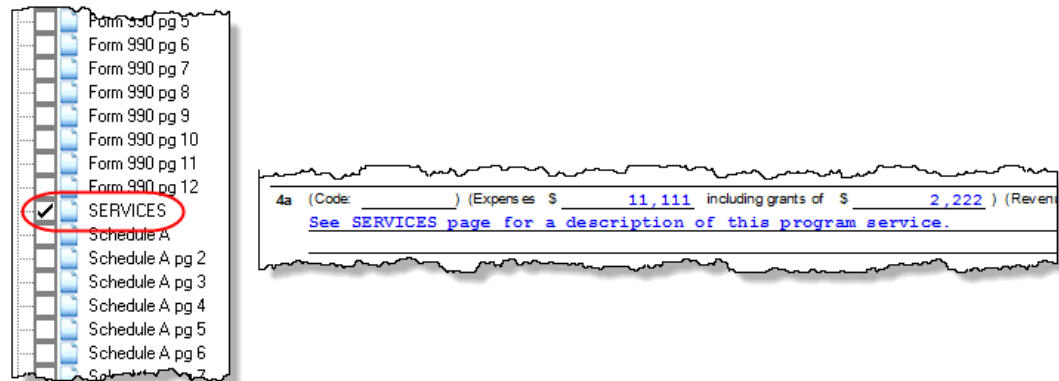

## NOTE

The **Program service code** drop list on line 4 of screen **4** is not used.

Acceptable exempt achievements do not include any achievement not substantially related to the accomplishment of the organization’s exempt purpose (other than by raising funds).

To enter a description that exceeds the allowed number of characters on screen **4**, press PAGE DOWN and continue the description. There is no need to re-enter the information in the top section of the screen. If the description takes up more space

than is allowed on the printed return, the program generate sit on a separate page in View mode, the SERVICES page (Figure 11).

**Figure 11:** Part III of Form 990 refers to a SERVICES page for descriptions that are too long to be printed on the actual 990 form.

To enter another achievement, press PAGE DOWN and mark the box labeled **Mark this box if starting a new description**. The second description entered is shown (or referenced on a SERVICES page, if applicable (Figure 11) in section 4b of Part III. A third description is printed or referenced in section 4c. Additional descriptions are shown on additional SERVICES pages generated with the return.

## NOTE

The exempt achievement description has a 9,000-character limit for e-file; if the description exceeds 9,000 characters, the return must be paper-filed.

### Other IRS Filings

Part V, Statements Regarding Other IRS Filings and Tax Compliance, is used to show the organization's compliance with the requirements of other federal tax laws for reporting and substantiation. Use screen **6** in the program to enter data for Part V. In Drake, Part V consists of two screens: use screen **6** to answer items 1 through 6b; press PAGE DOWN from screen **6** to access items 7 through 14b.

### Compensation

## Part VI, Governance, Management, and Disclosure

Part VI, Governance, Management, and Disclosure, requests information regarding the governing body and management governance policies and disclosure practices. Although federal tax law generally does not mandate particular management structures, operational policies, or administrative practices, every organization is required to answer each question in Part VI.

Use screen **7** to access fields for Section A of Part VI. Press PAGE DOWN to access Sections B and C. If additional information is required for Part VI, use Schedule O (screen **O**; see "Schedule O, Supp. Info." on page 29). **O Screen** links are available on parts of screen **7**.

## Part I, Summary

The summary section of Form 990 is for information regarding the mission, activities, and financial results of the organization. Use screen **2** to complete Form 990 Part I, Summary. (Line 1 of the "Summary" section of Part I flows from screen **3**, line 1, **Primary exempt purpose**.)

**Number of Volunteers** Enter the number of full-time and part-time volunteers who provided volunteer services to the organization during the reporting year. A reasonable estimate is acceptable if an exact number is not known. If the organization wishes to provide an explanation of how the number was determined, use Schedule O (screen **O** in the program; see “Schedule O, Supp. Info.” on page 29).

**Line 7b** If the organization is not required to file Form 990-T, enter a zero (0) for line 7b.

**Lines 8–17** Prior-year amounts are updated automatically from the previous year’s return. These amounts can be entered or edited on screen **2**.

## Part IV, Checklist of Required Schedules

An organization uses Part IV, Checklist of Required Schedules, to determine which schedules must be completed and filed with the tax return. In Drake Tax, two screens contain fields for Part IV. Open screen **5** to access fields for lines 3 through 24d. Press PAGE DOWN from screen **5** to access fields for lines 25a through 37.

## Schedules

You can access screens **A2**, **A3**, **A4**, and **A5** from the **Schedules A-G** tab of the **Data Entry Menu**, or you can press PAGE DOWN from screen **A** to access subsequent screens.

**Schedule A** Schedule A, Public Charity Status and Public Support, provides information regarding public charity status and public support on Form 990 or Form 990-EZ.

- Screen **A3** (Parts II and III, Support Schedules)
- Screen **A4** (Part VI, Supporting Organizations)
- Screen **A5** (Part V, Type III Non-Functionally Integrated 509(a)(3) Supporting Organizations)

Schedule A is required. At a minimum, amounts must be entered for the current year—even if the amounts are zero (“0”). If there are no entries for Schedule A, an EF Message is generated upon calculation, and the return cannot be e-filed.

## NOTES

Field- and screen-level help resources within the program provide valuable supplemental information and tips for completing Schedule A in Drake Tax. Press F1 for field-level help. On screens **A** and **A3**, access Screen Help by clicking **Help** from the data entry screen toolbar, by pressing Ctrl+Alt+? from your keyboard, or by right-clicking the screen and choosing from the **Help** menu.

Screen **A4** consists of two screens. From the first screen, press PAGE DOWN to access **Sections B** through **E** on the second screen.

### Schedule B, Contributors

Use Schedule B, Schedule of Contributors, with Form 990, Form 990-EZ, or Form 990-PF to provide information on certain contributions reported by the organization. Schedule B is required for contributions from at least one contributor in excess of \$5,000. If there are no entries for the required Schedule B fields in the program, an EF Message is generated and the return cannot be e-filed. In Drake, use screen **B** to enter Schedule B information.

## NOTES

Contributor information on Schedule B is not publicly disclosed.

If Schedule B is not required, mark the check box on line **IV** on the lower left side of screen **1**.

### Schedule C, Political & Lobbying

Schedule C is required for certain section 501(c) organizations and section 527 organizations filing Form 990 or Form 990-EZ. Use the following screens for Schedule C:

- **Screen C1** — Part I-C, line 5 (names, addresses, and EINs of section 527 organizations to which payments were made)
- **Screen C2** — Parts II-A and II-B
- **Screen C3** — Parts III-A and III-B

See the IRS form instructions for who is required to file.

**Schedule D,  
Financial

Filers of Form 990 should use Schedule D to provide the required reporting for the categories listed in Table 5. This table also shows which screens in Drake Tax are available for completing specific information.

**Table 5:** Schedule D: Items Covered, and Screens Used

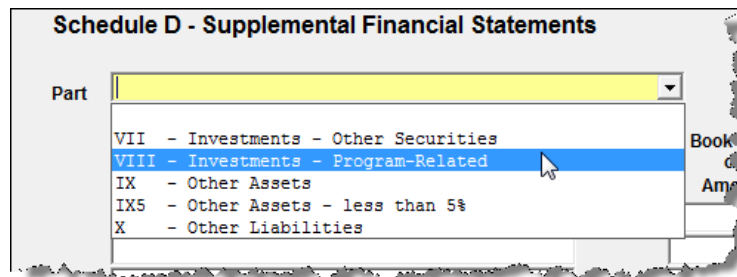

Category	Section of Schedule D	Screen to Use in Drake Tax

Press PAGE DOWN to go to the next Schedule D screen.

**NOTE**

Note that Part VI, line 1e ("Other") requires a separate screen from the previous Part VI information. Click the **Line 1e detail** link on screen **D3** or press PAGE DOWN to open screen **D1E**.

To enter data for Parts VII through X, go to screen **D4** and select the applicable part from the **Part** drop list (Figure 14).

**Figure 14:** Select the applicable part on screen **D4** For parts VII through X.

Press PAGE DOWN to access a blank **D4** screen and enter data for additional parts.

For information on completing Part XIII of Schedule D, see the "Schedule O, Supp. Info." section, following.

**Schedule O,  
Supp. Info.**

The IRS provides Schedule O for filers who must include narrative information for specific lines. Use screen **O** to provide narrative information for Schedule O.

For details on using screen **O**, see “Using Info Screens” on page 11.

## NOTES

All Form 990 or 990-EZ filers must file Schedule O. Certain questions require all filers to provide an explanation in Schedule O. In general, answers can be explained or supplemented on screen **O**, using the **Schedule** drop list and **Explanation** text box.

To add a narrative explanation for an amended return, select **AMD**. See “Amending a Return” on page 31 for more on amending a return.

To add a general explanation attachment, select **X** (located at the bottom of the drop list).

**Z Items** Items beginning with **Z** in the **Schedule** drop list on screen **O** flow to Schedule O of Form 990-EZ.

## Part II, Signature Block

The signature block on Form 990 contains fields for up to two signatures:

- An officer of the organization
- The paid preparer (if applicable)

To e-file a return, enter the paid preparer and organization officer PINs on the **PIN** screen.

## IMPORTANT

The applicable ERO or preparer PIN must be entered in **Setup > Preparer(s)** or **Setup > Firm(s)** in order to e-file a tax return. For more information on setting up firm, preparer, and ERO information in Drake, see *2016 Drake Tax User's Manual*.

### Note about Preparer ID

Generally, anyone who is paid to prepare the return must sign the return and fill in the other blanks in the “Paid Preparer’s Use Only” area of the return. An employee of a filing organization is not a paid preparer.

## Filing an Extension

Calendar-year returns are due on May 15, 2017. If an organization uses a fiscal year, the return is due by the fifteenth day of the fifth month after the accounting period ends. By filing Form 8868, an organization can extend the deadline six months (to November 15 for a calendar-year return).

Use the **8868** screen (available from the **Other Forms** tab) to apply for an automatic sixth-month extension. (Figure 15 on page 31).

Figure 15: Mark the check box on screen 8868 to apply for an extension

**NOTE** Form 8868, Application for Additional Extension of Time to File an Exempt Organization return can be e-filed.

## Amending a Return

Indicate an amended return in the **General Information** section of screen 1. Note that an explanation is required on screen O for an amended return.

### CAUTION

When you amend a return in Drake Tax, the amended information replaces the original in the data file. Before amending a return, you should archive the original to avoid losing previously submitted data. For more information on archiving returns, see “Archive Manager” in Chapter 6 of the *2016 Drake Tax User’s Manual*.

To provide an explanation for an amended return:

1. Open screen O.
2. From the **Schedule** drop list, select **AMD - Amended return information** (Figure 16).

Figure 16: The AMD selection on the Schedule drop list on screen O.

3. Enter the explanation in the text box below the drop list. Character limit for e-file is 9,000 characters.

**IMPORTANT** The amended return should include *all* information pertaining to the return—not just the new or corrected data.

## Credits Tab

### General Business Credits

Use screen **3800** to claim current-year business credits that are *not* supported by Drake Tax. (Supported credits are listed on the right side of the **Credits** tab.)

Use screen **GBC** for reporting general business credit (GBC) and eligible small business credit (ESBC) carrybacks and carryforwards, and to enter passive activity credit carryforwards.

For tax-exempt entities, use the **CRED** screen if you want to enter current-year pass-through credits from pass-through entities (optional).

For details on using the **3800** and **GBC** screens, go to “General Business Credits” in Chapter 5 of *2016 Drake Tax User’s Manual*.

Screens for computing foreign tax credits are listed on the left side of the **Credits** tab.

## Form 3115, Application for Change in Accounting Method

Form 3115, Application for Change in Accounting Method, is an application to the IRS to change either an entity’s overall accounting method or the accounting treatment of any material item.

Form 3115 is eligible for e-file.

Drake Tax customers can fill out and e-file Forms 3115 and related schedules and attachments for 990 returns.

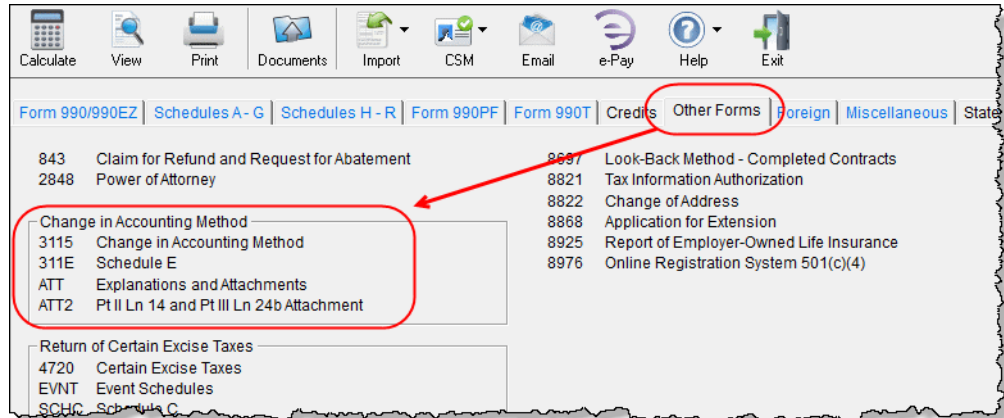

In some cases, Form 3115 must still be paper-filed.

**NOTES** Applicants filing Form 3115 should refer to Rev Proc. 2015-13 for general automatic change procedures, and to Rev Proc. 2015-14 for a list of automatic changes to which the automatic change procedures in Rev. Proc. 2015-13 apply.

## Accessing Screens for Changing Accounting Method

Several screens may be required to complete Form 3115. These screens are accessible from the **Change in Accounting Method** box, located under the **Other Forms** tab of the **Data Entry Menu** (Figure 17 on page 33).

**Figure 17:** Screens for Form 3115, Application for Change in Accounting Method

The screens accessible from the **Change in Accounting Method** section include:

- Screen **3115 (Change in Accounting Method)** — Used to access fields for Form 3115, including Schedules A through D
- Screen **311E (Schedule E)** — Used to request a change in depreciation or amortization methods
- Screen **ATT (Explanations and Attachments)** — Used to create and view certain attachments to be generated by the software
- Screen **ATT2 (Pt II Ln 12 & Pt III Ln 23b Attachment)** — Used to complete certain parts of Form 3115 that require specific attachments

## Form 3115 Screens

When you open the **3115** screen from the **Data Entry Menu**, the program displays the first of six **3115** screens. As shown in Figure 18, you can access these **3115** screens by clicking a link at the top of any other **3115** screen.

**Figure 18:** Tab links on **3115** screen

### Multi-form Codes

All **3115** and related screens contain a **Multi-form code** text box (shown in Figure 18) that allows you to link a screen or attachment to a particular Form 3115.

If submitting more than one Form 3115, assign a multi-form code to each new application you create in Drake Tax. The first should be “1,” the second “2,” and so on. When using other screens, such as the **311E** or **ATT** screens, you can use those numbers to indicate which instance of Form 3115 the **311E** or **ATT** screen should be associated with.

**NOTE** If only one Form 3115 is being submitted, you do not need to enter anything in the **Multi-form code** box.

### Notices of Missing Attachments

In addition to Form 3115 and related schedules and statements, the program produces EF Messages (as applicable) when the return is calculated. All forms, schedules, EF Messages, and worksheets are accessible from View mode.

EF Messages for Form 3115 provide information about required attachments (including PDF attachments) that are missing from the return. Some messages list all statements required for a particular section but do not indicate which statements, specifically, are missing. To best understand which attachments are still required, compare the **ATT** screen and the statements (such as “Statement 465” and Statement 2-15” in View mode) to the list of missing statements and schedules in the EF Messages.

**NOTE** All EF Messages must be eliminated before the return is eligible for e-file. EF Messages for Form 3115 attachments are eliminated when all required statements have been attached to the return.

## Safe Harbor Elections

Use the **Building qualifies for Section 1.263...** check box on screen **DEPR** to apply a small taxpayer Safe Harbor election to a building listed in the **Description** field. An election statement will be produced and the building description as entered in the **Description** field will be included in the election statement.

**NOTE** This Safe Harbor election covers buildings only.

This Sec. 1.263(a) - 3(n) Election can also be made from the **Elections** drop list on the **ELEC** screen (available on the **Miscellaneous** tab), as can a Sec. 1.263(a) - 1(f) de minimis safe harbor election.

See IRS Reg. section 1.263(a)-3(h), IRB 2013-43, Rev. Proc. 2014-16, and Rev. Proc. 2015-14 for guidance.

## Binary Attachments

Binary, or PDF, files can be attached to certain tax forms. These attachments are generally signature or third-party documents such as a copy of a signed lease or a signed appraisal statement. In some instances, the IRS requires that a document be attached to an e-filed return; in other instances, a document can be attached voluntarily to sup-

port or explain an entry in the return. In either case, a document must be in PDF format and attached to the return in order to be e-filed with it. Paper documents must be scanned into the computer to be attached.

*Screen code: PDF* Attach files through the **PDF Attachments** screen, accessible from the **Electronic Filing** section on the **General** tab of the **Data Entry Menu**.

**NOTE** Directions for attaching documents can also be found in the **Screen Help** of the **PDF Attachments** screen, and in item **L** of the **FAQ** screen.

For details on attaching documents to a return, see “Binary Attachments” in Chapter 5 of *2016 Drake Tax User’s Manual*.

## Printing Generated Documents

In some instances, Drake generates a document that must be printed, signed, and scanned back into the computer to be attached to the return. An EF Message will state that attachments are required. You will then need to obtain and complete the statements, scan them into the computer, save them as a PDF file, and attach them to the return.

## Using the PRNT Screen

Use the **PRNT** screen (accessible from the **Form 990/990EZ** and **Miscellaneous** tabs) to override some program defaults.

## Suppressing/Forcing Items

To suppress or force printing of certain items, go the **PRNT** screen and select the desired options. Selections override the options established in **Setup**. For more on setting up options globally in Drake Tax, see *2016 Drake Tax User’s Manual*.

The following items can be “forced” from the **PRNT** screen (see Figure 19 on page 36):

- Diagnostic summary report listing the forms calculated and providing a brief summary of the return
- Next-year depreciation listing for the organization
- Indication on the return that the organization has changed its accounting period
- Preparer’s name in the “Preparer’s signature” line for preparer and client copies of a return that has been e-filed

**Figure 19: PRNT screen options**

The following items can be suppressed from the **PRNT** screen of a 990 return (Figure 19):

- Commas (in the amounts printed on the forms)
- Columns B, C, and D of Form 990, Part IX, if the organization is not a 501(c)(3) or 501(c)(4) organization (Only Column A, “Total expenses,” would be generated for this section of Form 990.)
- Data for non-required fields on Form 990-T of gross receipts is \$10,000 or less

## Overriding Other Setup Options

Filing instructions (federal and state) and envelope coversheets (organization, IRS, and state) can be either forced or suppressed from the **PRNT** screen to override the global setting in **Setup**.

### NOTE

A default due date for filing is printed on all letters and filing instructions generated with a return. You can override the default date by entering an alternate due date in the **Due date to print on letter and filing instructions** field on the **PRNT** screen.

You can also enter the date to be printed on the return. In **Setup > Options, Optional Items on Return** tab, you can indicate if the return should have *no* date or if it should have the current system date. Use the **PRNT** screen to override the setup option choice for a return.

## Turn Off Autobalance

Autobalance forces the balance sheet to balance for both the beginning- and end-of-year amounts by adjusting net assets or fund balance.

The program makes the adjustments due to differences in the balance sheet. Incorrect data entry could cause these differences but they are usually the result of amounts being erroneously deleted or changed from the balance sheet screens. To reconcile the differences, it is best to compare the organization’s beginning and ending balance sheet amounts for the tax year.

To turn off this feature for a specific return, go to the **PRNT** screen and select **Turn off autobalance**.

## Electronic Filing

An organization has the option to e-file Form 990, 990-EZ, 990-PF, 990-N, and related forms, schedules, and attachments. If the organization files at least 250 returns of any type during the calendar year and has total assets of \$10 million or more at the end of the tax year, it is *required* to e-file Form 990.

### NOTE

A short period return cannot be e-filed unless it is an initial return or a final return (one of those boxes is marked on screen 1.)

Form 990-T cannot be e-filed.

Steps for e-filing Form 990 are the same as for e-filing Form 1040. For detailed instructions on e-filing returns in Drake Tax, see *2016 Drake Tax User's Manual*.

To determine if an organization meets the \$10 million asset test, use the amount of total assets at the end of the year (Form 990, page 11, line 16).

If an organization is required to e-file but does not do so, it is considered *not* to have filed its return. See Temporary Regulations section 301.6033-4T for more information.

For additional information on the e-file requirement, visit the IRS website at [www.irs.gov](http://www.irs.gov). Click the **Filing** tab, then from the menu on the left, click **Charities & Non-Profits**, and select **e-file for Charities and Non-Profits**.

## IRS Error Reject Codes

If any of the following IRS error reject codes is generated when e-filing a 990 return, the preparer must contact the IRS for further information. The IRS e-Help Desk telephone number is (866) 255-0654

**F990-913-01:** Tax-exempt status specified in Item I, must match data in the e-file database.

**F990-913-01:** The “Return Type” indicated in the return header must match the return type established with the IRS for this EIN.
